

OUR WORK, OUR HEALTH NYCOSH IMPACT REPORT

FY 19-20

26,704

WORKERS TRAINED

IMPACT:

NYCOSH experienced a significant shift in its training focus this year due to COVID-19. In mid-March, 2020, all of our trainings became virtual. We trained our staff in new training tools and utilized numerous platforms to meet the needs of our community of workers. We trained more people than any other year in our organization's history: **26,704 workers in 501 training sessions.**

APPROACH:

We introduced COVID-19 briefings and trainings to ensure that people were educated on the virus and knew how to stand up for their rights if they were being violated. We also joined other unions and organizations in pushing for a NYS Infectious Disease Standard in response to OSHA's inaction.

501 TRAINING SESSIONS

Income: \$2,384,869

Expense: \$2,368,112

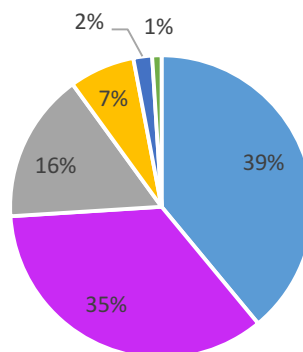

Program: 79%
